Julie Delmonico, Administrative Assistant

Dear Grade 10 Parent or Guardian,

Fairfield Ludlowe High School will be administering the PSAT/NMSQT to grade 10 students on **Wednesday, October 16**. There is no cost for students to take the PSAT/NMSQT and they will be automatically registered for the test. All students will receive the [PSAT/NMSQT Student Guide](#) in homeroom. Students are encouraged to review this material and use the practice full length test to help them understand the types of questions they will be asked. It is important to understand that this test is purely a practice and diagnostic tool; PSAT scores are not sent to colleges.

On October 16, all grade 10 students will test with their **homeroom at 7:30 a.m.** Students must come school with **two #2 pencils, a graphing calculator and a picture ID**. Students will be dismissed from school at 11:45 a.m. No lunch will be served.

Test results can be accessed by mid-December via the student's College Board account. Students will receive an email when their PSAT scores are available. Students should visit [College Board's website](#) to create an account, if needed. When creating an account, use the student's active personal email account, not their school email.

Below is an overview of the testing times that students should expect for **Wednesday, October 16**:

Reading Test	60 Minutes
5 Minute Break	
Writing & Language Test	35 Minutes
Math Test-No Calculator	25 Minutes
5 Minute Break	
Math Test-Calculator	45 Minutes

Fairfield Public Schools is excited to offer this opportunity to FLHS students. If you have additional questions regarding the PSAT, please contact your child's school counselor or visit the [College Board website](#).

Best Regards,

Vanessa Montorsi
Director of Pupil Services & Counseling
